### REQUIRED:

Provide a **brief** description of the company, organization or individual nominee, identifying the nominee's contributions to New Jersey's recycling program (no more than 2 paragraphs).

**Pedals for Progress is a New Jersey 501(c)(3) non-profit organization that collects used bicycles and sewing machines and ships them to partner organizations abroad to support economic development.**

**We estimate that we have diverted about 100,000 pounds of material in 2015 and 88,000 pounds in 2016. Since our founding in 1991 we have diverted more than 4.5 million pounds. While most of our donations come from individuals, we also collect discarded bikes from New Jersey municipalities and police departments.**

Please submit the full package electronically by August 4, 2017 to [njrecycles@dep.nj.gov](mailto:njrecycles@dep.nj.gov)
